

OTE 85-6767

14 FEB 1985

Major General C. D. Dean
Commandant, Industrial College of the Armed Forces
National Defense University
Washington, D.C. 20319

Dear Major General Dean:

STAT This is to confirm an informal arrangement the Office of Training and Education has made with [] to speak at the Agency's seminar on World-Wide Science and Technology Forecasting. The two-week seminar is open to members of the Intelligence Community and will be held from 18 - 29 March 1985.

STAT [] topic would be an overview of the factors that determine how fast a new technology is accepted by industry and/or the military and how this time lag can be shortened. The time allotted for [] is one and one-half hours on Thursday, 21 March 1985.

STAT [] is the coordinator for this seminar.
He may be reached on [] STAT

Sincerely,

[] STAT

Director
of
Training and Education
